Bill:

The attachment you sent was a blank text message with no map. Please try to send the map again, or if you prefer, we can come up and pick up the map from you.

Do you want residential and business addresses, or just residential?

This is my last week with Toeroek. Starting Monday, I will be a Region 6 EPA employee in Water. So, please cc your email (and after this week, direct your email) to my supervisor, Kim Shultz. Kim will be coordinating the Superfund Community Involvement work for Toeroek. Her email is Shultz.kim@epa.gov, and her phone number is (214) 665-3147.

Thank you.
